ATTENDANCE POLICY FOR CONFIRMATION FORMATION

As we prepare for Confirmation, one of the most important requirements is attendance at the Confirmation Formation sessions. At St. Bernard of Clairvaux & St. Stanislaus Kostka Parish, our Formation sessions are both a combination of class with large and small group discussions so that students can learn and experience Christ in a variety of different settings. Attendance at all of our sessions is vital to their preparation for the sacrament of Confirmation and for their lifelong faith formation as we are called to do. As we prepare for Confirmation, it is our duty as candidates to be present and engaged at all formation sessions.

If a Confirmation candidate misses a class, they must make up the class on their own time and turn in the missed class lesson and activities the next week.

Students that miss more than 3 classes without make up will be ineligible for Confirmation for the year of formation they are currently in. Meeting with Fr. Frank must be set up by candidate to discuss continuation and commitment to confirmation formation.
