Always Forgive

One of God's greatest gifts to us is his gift of forgiveness. God loves us very much. He knows that sometimes we say or do things that may make others feel sad. But he always forgives us.

God wants us to forgive others as he forgives us. When someone we know hurts our feelings and then says, "I'm sorry," we forgive him or her. We feel better about what happened and can be friends again.

Solve the word puzzle to discover what God wants us to do. Then write about a time you forgave someone.
