Jesus Is Alive!

The Resurrection happened when Jesus rose from the dead. Some of his friends went to his tomb and found it empty. They were sad and afraid. An angel appeared and told them not to be afraid because Jesus was alive. As they ran back to town to share their wonderful news, they saw Jesus. He told them to continue into town and share the news. He promised them he would be there soon.

Draw the four parts of the Resurrection story.

2. An angel tells Jesus' friends that Jesus is alive.
