

Celebrating Together

Catholic families look forward to gathering for their special Christmas meal. They look forward to celebrating Mass together as one family in Christ. The Mass is the most important celebration in the life of the Church.

Our Special Celebrations

Think of a celebration that is important to your family. Maybe it is a holy day that everyone celebrates, such as Christmas or Easter. Perhaps it is a day that is special just for your family and friends. Think about why it is special to you. What do you do? How does it make you feel? How is it a sharing experience? In the space below, write sentences about your important celebration.
