The Love of Our Families

God gave us families to help us grow in love together. Our families support us and teach us to live good lives. Jesus gave us a Church family too. It helps us to grow closer to God. If we live in harmony with our families, we are living as God's people.

Our Two Families

Think of the ways your two families help you to live and love. Then finish the sentences in the spaces below.

I am close to my family at home when

I am close to my Church family when

My family at home helps me to live a good life by

My Church family helps me to live a good life by
