All God's Children

We are all God's children, and God has given each of us special gifts. God made each of us different and gave us different gifts.

God's Gifts to Me

Think of the personal gifts God has given you and list them in the columns below. Next to the gift, explain how you share this gift with others. All of these gifts are from God, so a long list praises God for his generosity.

Gift	Why

Write a short prayer thanking God for his gifts to you and praising him for his goodness.
