# Spreading Love in Your Community

*Whenever you help others, you are doing what Jesus would do. You are also showing your love for others in your community. Ordinary Time is a time to be grateful for our community. We love our community with our hearts. We help them with our hands. We can be caring friends with our words and actions.*

## Hearts and Hands

On each heart write something you will say to a family member or friend to show your love. On each hand write something you will do to help someone in need. Cut out the hearts and hands. Display them as a reminder to say and do these things.
