

# Singing of Love

*When we sing a song, we can show what we are singing by our actions.*

**Directions:** Sing the “Song of Love” together. Each time you reach the chorus, do the actions described below.

*Thank you, Jesus, for helping me to see.*

Put your hands up to your eyes like binoculars.

*Thank you, God, for the heart you've given me.*

Place your hands on your heart.

*Thank you, Spirit, for coming to me,*

Reach your arms out and pull them toward you.

*And for showing me how to sing . . .*

Reach your arms up and stretch them out like a rainbow.

*Your song of love.*
