Teach by Example

Saint Dominic helped people learn about Jesus' teachings by providing them with a good example. You can also provide a good example for others.

Jesus instructed his disciples to teach others all they had learned from him. As members of his Church, we are also called to teach others what we have learned from Jesus. One way to teach others is to set a good example. We can do this by choosing to serve others.

Service Coupons

In each coupon below, write one act of service you can perform for someone you know. For example, you might offer to rake a neighbor's leaves. When you are done, cut out the coupons and distribute them.
