

Pray for Others

One way to show Jesus' care for people who are ill is to pray for them.

During the Middle Ages, a hospice was a safe place to stay for travelers making a pilgrimage. These hospices were protected by religious knights. Travelers who were sick or injured could find food, drink, and care at a hospice. Today a hospice refers to a place to stay or the care given to a person who is dying.

Write a Prayer

On the lines below, write a prayer for a someone you know who is sick or suffering. When you are finished, take your prayer home and pray it often.
