Filled with Joy

During Easter we celebrate the joy of Christ's Resurrection. We give thanks to God for the gift of Salvation we have received through Jesus.

The Easter season is the most joy-filled season of the liturgical year. We celebrate Jesus' Resurrection and Ascension into Heaven. We give thanks for the gift of Salvation we receive through Jesus' new life.

An Easter Puzzle

Design a stained-glass window that shows what Easter means to you. After designing your window, cut it out. Then cut the window into pieces. Exchange puzzles with a friend and put together each other's puzzle.
