Called to Discipleship

During Ordinary Time we reflect on how we are called to live as Jesus' disciples.

During Ordinary Time we take time to pray and reflect on the call to discipleship we have received from Jesus. We think about how our words and actions help to share his light with others.

Share Light

Inside each candle write one way you can live as Jesus' disciple. Read the example for ideas about what you might write. Cut out the candles and take them home. Each week this month, commit yourself to completing one of the actions. After you complete the action, color in the flame.
