Our Daily Bread

In Jesus' time, bread was the most basic and common form of food. It was also hospitality food, or food meant to be given away. In the Lord's Prayer, when we pray for our daily bread, we are asking God to give us what we need to tend to our needs and the needs of others. What needs do others have? What can you give to others to help meet their needs?

Directions: In the left column, write some of the hungers or needs that people have, for example, to be loved, forgiven, and cared for. In the right column, write some ways that you can care for the needs of others, for example, by showing someone that you care and by being a good listener.
