# Love and Justice for All

*Christ gives the Church the mission of preaching the Gospel message. This message includes a demand for justice in the world. As Christians we are called to be witnesses for the need for love and justice. We can do this by living the Gospel message through both our words and deeds.*

## In the Parish

We are called to carry out the mission of the Church and to meet the community's and the world's needs. This mission begins in our own homes. We continue this mission in our parish.
