## Acting for God

*If we are to live as Christians, we need to strive to be more Christlike in all that we do. Think about the phrase “putting yourself in someone else’s shoes.” What does this phrase mean to you?*

You have been called to do God’s work. Try to imagine what it would be like to put on God’s shoes—to act as God would act. Paul says this another way in 1 Corinthians 2:16 “. . . but we have the mind of Christ.” Paul taught that if we try to think like Christ, we will act more like Christ.

Think about how God shares his message with others in today’s world. What kind of words does he use? What actions show how he feels about others?

### Complete these sentences.
