Preparing for Life in God's Family

Imagine that it is your responsibility to introduce a person to life in the family of God. You have only an hour to talk to this person about the Christian life.

Discuss and Respond

Discuss with a partner the most important concepts and traditions a new member of our Church would need to know. Then work together to answer the questions.

1. What does he or she need to do to grow in the spiritual life?

2. What does he or she need to understand about following Jesus?

3. What does he or she need to know about living as a member of God's family?

4. What does he or she need to do as a member of God's family?
