Holy Vocation

Living out the many aspects of your life with holiness and love is not easy. Imagine how difficult it must be at times to be a priest or to raise a family. We all need to spend time thinking about how we can accept our vocations and live them out with holiness.

Your Personal Plan

Think about what you want to do with your life when you are an adult and how you will develop your personal holiness. Answer the questions below to get started.

1. How would you describe holiness in a sentence or two?

2. What are some of your favorite hobbies and interests?

3. How can you bring holiness to those hobbies and interests?

4. How do you think you could develop holiness in your career when you are an adult?

5. When you are not working, how will you bring holiness to your personal life?

6. If you get married, how could your marriage reflect holiness?

7. If you become a priest, brother, or sister, how could you reflect holiness as a priest or religious?
